Each picture forms a clue to a subject either with “circus” or “clown” in its name, or with a direct association with a circus or clown. Write the full description of your best guess against each number. Completed entries may be posted in the competition box on the day of the fair. Entries may also be handed to a member of the SGSA committee or posted in the box which will remain by the school reception until 15:15 on Friday May 12th 2006. The winner will be drawn from those sheets with the most correct answers and announced on the school notice board. You can see the answers to this and previous years’ quizzes at <http://whatfettle.com/quiz> Needless to say, the judges’ decision is final.
